

REITER ENGINEERING

- Company Presentation -

Company Overview

Short Description

Established in 2000, REITER is the only manufacturer worldwide of racing and race-look-a-like Lamborghini vehicles.

Its core business sectors are the race team division and engineering unit. The company is able to provide a full range of race services and development services for race cars.

REITER has dedicated its business to the Lamborghini brand.

Located in Kirchanschöring, Southern Germany (Bavaria), the company is operating globally with a strong focus on Europe, America and Asia.

Within the last two years REITER has expanded its business and has grown tenfold. There are currently 30 employees, the majority specialist like race engineers, data-logging specialist, or race mechanics.

Business Units

Engineering	After Sales	Race Team	Service Point
<p>REITER covers the full range of development services for race cars, which includes concept, design service, technical design, prototyping, and testing.</p> <p>Race vehicles already been built:</p> <ul style="list-style-type: none"> • Diablo GT2 • Murciélago R-GT • Gallardo GT3 • Gallardo Rally • Super Trofeo • LP560 GT2 & GT3 • LP670 R-SV GT1 	<p>REITER provides the best service to its global customer base in the form of Engineering services & Spare parts service</p>	<p>REITER's experienced race team personnel have successfully run a Murciélago R-GT in series' like FIA GT1 World Championship, LMS series, ADAC GT Masters and 24h-Le Mans, for many years.</p>	<p>REITER is an officially authorized LAMBROGHINI Service Point</p>
